

# Did You Know Supervisors and Commanders can Grant Quarters?

According to AFI 41-210; *Tricare Operations and Patient Administration Functions*, para 4.14.6 “Unit Commanders and supervisors have the authority to grant up to 24 hours sick status at their discretion if a member’s illness/injury does not require Military Treatment Facility (clinic) intervention. If the illness/injury persists beyond 24 hours, then the Commander or supervisor must refer the member to the clinic for treatment and subsequent clinical examination.”
