-The pharmacy must use generic medication whenever possible. A prescription written as "Dispense as Written" may not be accepted. Drugs with narrow therapeutic margins will not be generically substituted.

- **FAXED PRESCRIPTIONS** : will NOT be accepted
- **TELEPHONE PRESCRIPTIONS** : Per Air Force directives, NO pharmacy staff member may receive a prescription over the phone. This also includes prescription renewals. The pharmacy can, however, accept a change or substitution to a non-controlled and Schedule 3, 4 and 5 prescriptions if the original prescription is located within the pharmacy.
- **NON-CONTROLLED PRESCRIPTIONS** : Are honored up to 365 days from the date the prescription was written. Antibiotic prescriptions over 10 days old will be filled at the discretion of the pharmacy. Prescriptions for maintenance medications may be written for up to a 90 day supply with a maximum of 3 refills. All other non-controlled prescriptions may be written for up to 30 days supply with a maximum of 11 refills.
- **CONTROLLED PRESCRIPTIONS** : Prescriptions for Schedule 3, 4 or 5 medications will be honored for 6 months from the date they were written with up to 5 refills. Prescriptions for Schedule 2 medications will be honored for 14 days from the date they were written. Providers are reminded to include their DEA number on all controlled prescriptions.

RESTRICTIONS: We reserve the right to adjust the prescribed quantity if it exceeds or impacts our inventory level. Refer to last page for more dispensing items in bold denote BCF agents.

Medications with an * next to them have dispensing restrictions.

Eligibility Verification : A patient must possess a valid Military ID to pick up any prescription. A patient representative may pick up prescriptions.

Proxy Pickup : The representative must possess a valid photo identification, preferably a Military ID, possess the patient's Military ID card (a copy front and back may be substituted), and possess a signed statement authorizing the representative to act on patient's behalf.

- Although medications are provided at no cost to our patients, this service is not free—the American taxpayer pays the bill. Please consider less expensive alternatives whenever possible when prescribing.
